

## ***SAMPLE STUDENT LEVEL 1***

### ❖ ***Desert Habitat***

A **desert habitat** is very hot and dry.

- ✓ Deserts get lots of sunlight and very little rain.
- ✓ Many plants and animals live in the desert.
- ✓ Snakes, camels, hyenas, and cactus live in desert habitats.

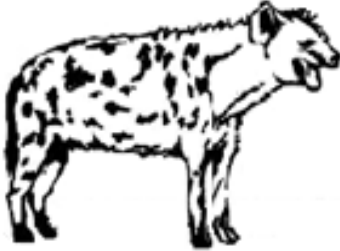

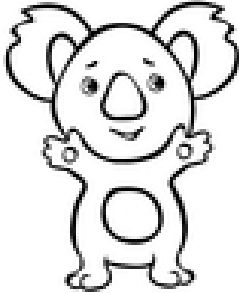

Some animals stay underground in the day to escape the hot sun.

## Desert Habitat Activity 1

Circle and color **only** the animals that live in the desert habitat.

		
<b>Camel</b>	<b>Lobster</b>	<b>Snake</b>
		
<b>Kangaroo</b>	<b>Hyena</b>	<b>Bear</b>

## **Desert Habitat Activity 2**

Read each sentence. Is the sentence true or false? Write your answer.

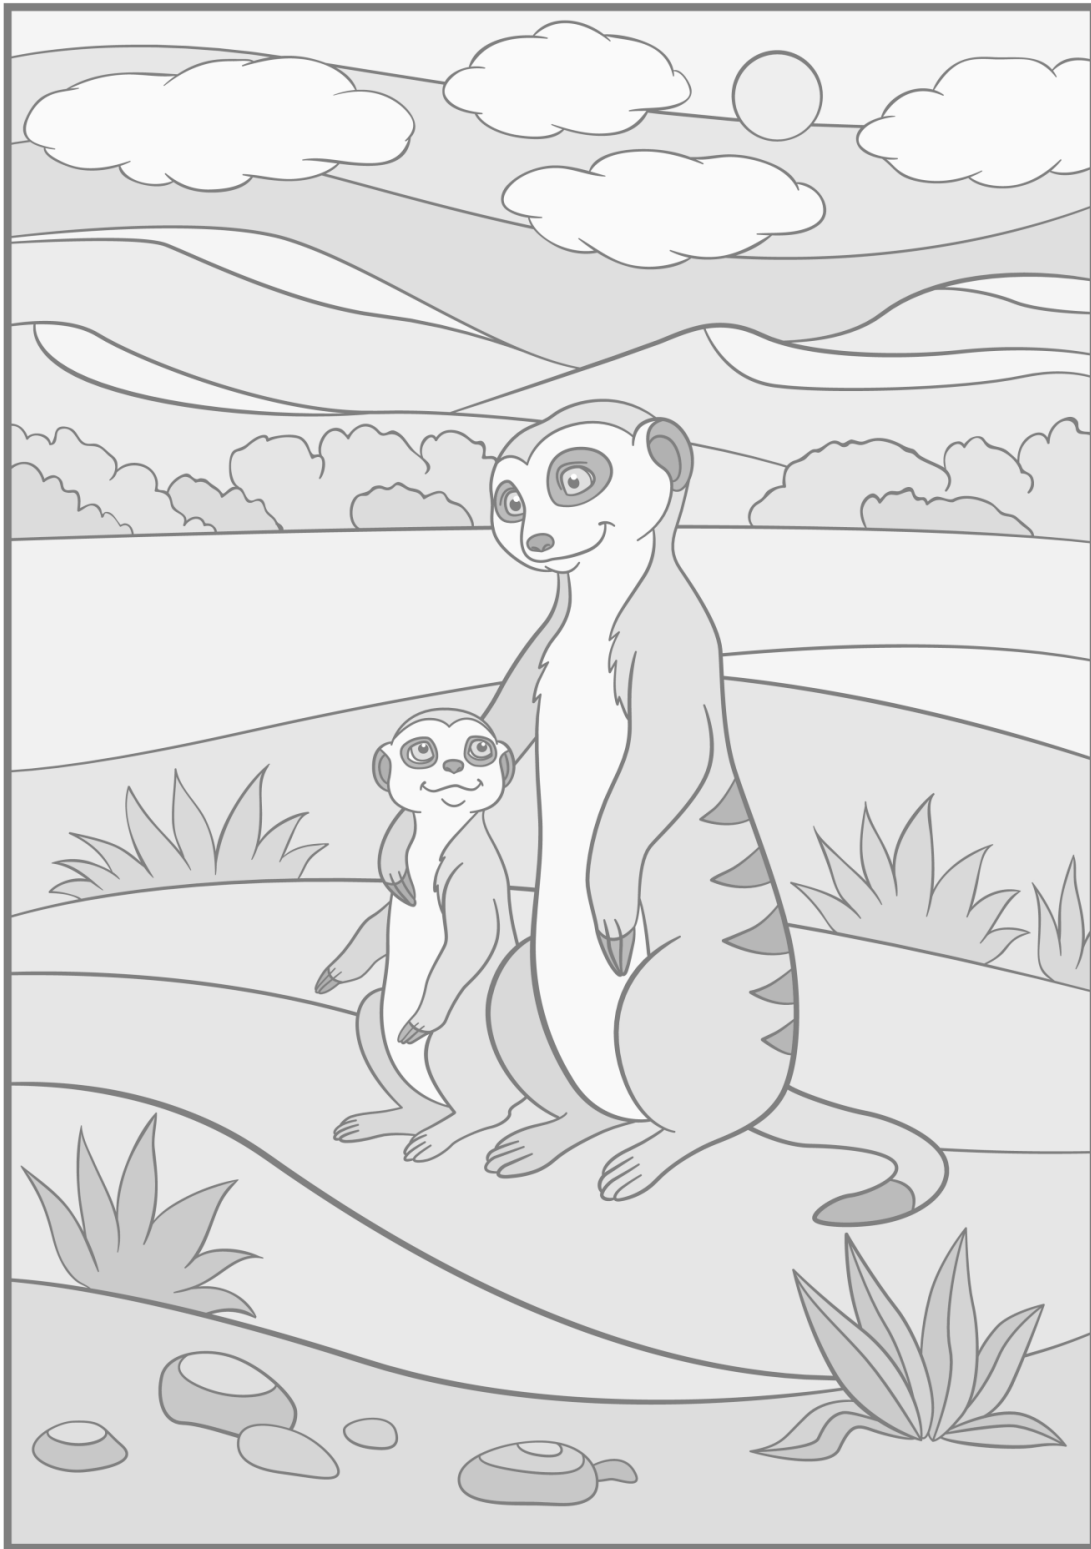

1. There are no plants that live in the desert. \_\_\_\_\_
2. The sun shines a lot in the desert. \_\_\_\_\_
3. The desert habitat has a lot of water. \_\_\_\_\_
4. Fish live in the desert. \_\_\_\_\_
5. Camels can live in the desert. \_\_\_\_\_

***Did you know?***

**Sheep have poor eyesight but excellent hearing!**

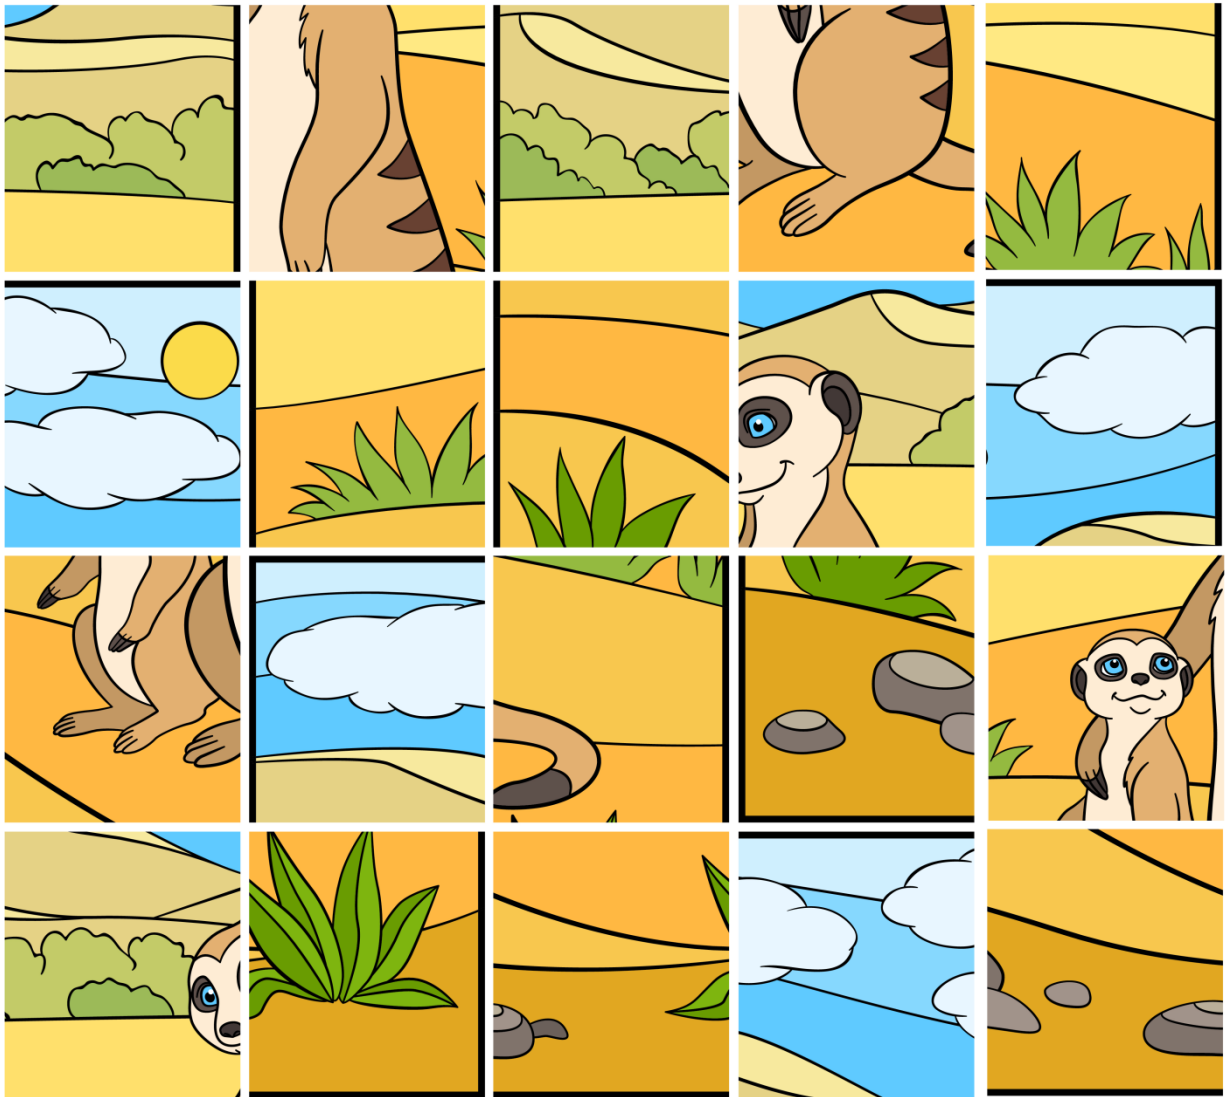

**Camels are considered smarter than horses!**

***And those are science facts!***

### Desert Habitat Activity 3

Cut out the puzzle pictures and glue in the correct order to show the desert habitat on page 88.

## ❖ ***Basic Needs of All Living Things***

What do living things need to live? **All** life forms --- humans, animals, and plants --- must have:

- ✓ **Water** for hydration.
- ✓ **Food** for energy.
- ✓ **Shelter** for protection from cold and heat.
- ✓ **Air to** breathe.
- ✓ **Space to** grow.

### **Basic Needs Activity 1**

Study the pictures of each basic need for living things. Circle the basic need each picture meets.

	<p><b>A. Food</b></p> <p><b>B. Water</b></p> <p><b>C. Shelter</b></p>
2. 	<p><b>A. Food</b></p> <p><b>B. Water</b></p> <p><b>C. Space</b></p>

3.

- A. Food
- B. Water
- C. Shelter

4.

- A. Shelter
- B. Water
- C. Space

5.

- A. Shelter
- B. Water
- C. Air

6.

- A. Food
- B. Water
- C. Space

7.

- A. Shelter
- B. Water
- C. Space

### Basic Needs Word Search Activity 3

Find and circle the basic needs of living things in the word search puzzle.

**AIR**

**WATER**

**SHELTER**

**SPACE**

**FOOD**
