Beaker (Poly 1L)	Scavenger Hunt Card
Bird Bingo Card	Tweezers
Lab Apron	What Is Weather? Coloring Book
Magnifying Glass	

# ***Adventures in Science***

## ***Level 1 Concepts***

### **Observe and Measure**

- Rulers
- Estimating
- Matching Weight
- Thermometers
- Heavy, Heavier, Heaviest
- Density

### **Living and Nonliving**

- Basic Needs of All Living Things

### **Life Cycles of Humans, Animals and Plants**

- Frog Life Cycle

### **Where Do Animals or Plants Live?**

- Ocean Habitat
- Forest Habitat
- Desert Habitat
- Wetland Habitat
- Animal Features
- Camouflage!
- Grouping Animals by Features
- Grouping Animals by Food
- Food Chains

### **Plants**

- Plant Features
- Life Cycle of a Plant
- How Do Trees Grow?
- How Are Animals and Plants Connected?
- Plant Exchange
- Our Five Senses

### **Earth**

- What Can Change Rock and Soil?
- Rocks
- Soil

### **Natural Resources**

### **What's the Weather?**

### **What are Seasons?**

- Spring
- Summer
- Fall
- Winter

### **Sun, Water, and Clouds**
